

HEAVY DUTY IS WHAT WE DO

Taalman Head Office Stoney Creek, Ontario, Canada

Customizing ?

Why not benefit from the decades of experience our qualified staff has earned, supplying the cooling industry with parts and equipment. **Whatever** needs replacing, if it isn't in the catalogue, just send us the old part and Taalman can quickly fabricate a heavy duty duplicate - **ready to ship to you A.S.A.P.** Here at Taalman, we understand that downtime is expensive, which is why **fast job turnaround** is our specialty.

Also, ask about our complete line of shop equipment and supplies, which include :
Oil Coolers - Hoists and Lifts
Test Tanks - Sandblasters
Heater Block - and more.
